Report on the Financial Statements

We have audited the accompanying financial statements of Coastal Community Action, Inc. (the Organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coastal Community Action, Inc. as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental schedules, financial data schedules and the Schedule of Expenditures of Federal and State Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 22, 2021, on our consideration of Coastal Community Action, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Coastal Community Action, Inc.'s internal control over financial reporting and compliance.

Note 1. Nature of Activities and Significant Accounting Policies

Nature of activities: Coastal Community Action, Inc. (CCA, or the Organization) is a nonprofit corporation organized under the laws of the State of North Carolina for the purpose of providing access to community services, advocacy for necessary services, and to provide direct housing, health, day care, aging, emergency, and certain other social services to qualifying residents of Carteret, Craven, Duplin, Jones, Pender, Lenoir, Onslow, Pamlico and New Hanover counties. The Organization administers federal and State grants and local contributions related to child development, low-income housing, energy assistance, and elderly assistance. Primary support comes from federal and State grants.

A summary of significant accounting policies follows:

<u>Basis of presentation:</u> The supplemental schedules of program revenues and expenditures are maintained on the modified accrual basis method of accounting in accordance with the Organization's budgetary basis. Reconciliation of expenses on these schedules is made to the Statement of Functional Expenses, which is on a full accrual basis method of accounting in accordance with generally accepted accounting principles.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor – (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Cash and cash equivalents: CCA considers unrestricted debt instruments purchased with an original maturity of three months or less to be cash equivalents. For purposes of reporting cash flows, the Organization excludes lender-restricted cash from cash and cash equivalents. CCA has accounts with a commercial bank that are fully insured by the Federal Deposit Insurance Corporation (FDIC). Beginning January 1, 2014, these balances are insured up to \$250,000. Deposits over insured amounts subjects CCA to a concentration of credit risk. At September 30, 2020, CCA's bank deposits in excess of the FDIC insured limit were \$1,194,912. The Organization has not suffered any financial loss on such deposits and does not believe that it is exposed to significant credit risk on its cash and cash equivalents.

<u>Accounts receivable:</u> CCA considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

<u>Functional expenses:</u> The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Grants and contracts receivable: Grants and contracts receivable are carried at original amount and are not adjusted for any doubtful receivables. It has been management's experience to collect all of its outstanding receivables and therefore an allowance for doubtful accounts is not considered necessary. If and when management decides that an allowance would be necessary, management would determine the allowance by evaluating individual grant and contract receivables along with the grantor's financial condition, credit history, and current economic conditions. Grants and contracts receivable will be written off in the year deemed to be uncollectible and any recoveries of previously written-off amounts will be recorded in the year received. Management considers receivables past due when the balance is outstanding more than thirty days.

<u>Property and equipment:</u> Property and equipment is capitalized at acquisition cost of fair value on the date received by donation. Depreciation is provided over the estimated useful lives of all depreciable assets (regardless of method of acquisition) on the straight-line method. CCA evaluates property and equipment for impairments whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Contributions: Gifts of cash and unconditional promises to give (pledges) are recognized when received and presented as net assets without donor restrictions or, if they are received with donor stipulations that limit the use of the donated assets, as net assets with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions, including investment gains and investment income with similar characteristics, whose restrictions are met in the same reporting period in which they are received are reported as net assets without donor restrictions. Pledges are recorded as received, and allowances are provided for amounts estimated to be uncollectible. Conditional contributions are recognized when the conditional promise becomes unconditional.

<u>Contracted services:</u> CCA contracts with Duke Energy for a housing repair project that co-ordinates and expands weatherization services. The Duke contract generated \$189,735 of revenue in fiscal year 2020. CCA contracts with Blue Cross Blue Shield for a housing repair project that co-ordinates and expands weatherization services. The Blue Cross Blue Shield contract generated \$138,406 of revenue in fiscal year 2020.

<u>Donated assets and in-kind contributions:</u> Real estate, materials, equipment, use of facilities, and other objectively measurable assets received as donations are recognized in the accompanying financial statements at their estimated fair values at the date they are received. Such contributions may vary from year to year. Restrictions are not implied on donated long-lived assets received without donor stipulations as to how long the assets must be used.

<u>Use of estimates:</u> The preparation of financial statements requires management to make estimates and assumptions of the financial statements and the reported amounts of revenues and gains, and expenses and losses, during the reporting period. Actual results could differ from those estimates.

<u>Subsequent Events:</u> The Organization has evaluated subsequent events from the date of the balance sheet through the report date, which represents the date on which the financial statements were available to be issued. The Organization has not evaluated subsequent events after that date. There were no subsequent events during this period that require disclosure.

Note 2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprising of the following:

| Unrestricted cash and cash equivalents | \$ 722,867 |
|--|-----------------|
| Grants and contracts receivable | 1,292,192 |
| Other accounts receivable | 5,000 |
| | \$ 2,020,059 |

Note 3. Pension Plan

The Organization has a defined contribution retirement plan in effect whereby qualifying employees may elect to participate. The plan is administered by Mutual of America Life Insurance Company. Under the plan, a predetermined contribution "may be made by each qualifying employee who has elected coverage," based on annual compensation levels. The Organization matches 100 percent of employee contributions with a maximum matching contribution of 4% of applicable employee compensation. The Organization contributed \$130,257 during the year ended September 30, 2020.

Note 4. Property and Equipment

A summary of property and equipment as of September 30, 2020:

| Property and Equipment | Amount |
|-------------------------------|-------------|
| Land | \$ 582,025 |
| Building | 3,796,696 |
| Equipment | 639,110 |
| Furniture & Fixtures | 163,713 |
| Motor Vehicles | 1,214,090 |
| | 6,395,634 |
| Less Accumulated Depreciation | (3,116,272) |
| Total | \$3,279,362 |
| | |

Note 5. Compensated Absences

Accounting principles generally accepted in the United States of America require that an accrual be made for employees' rights to receive compensation for future absences from employment because of illness, holiday, vacation, or other reasons when certain conditions are met. Employees may accumulate up to ten days of annual leave. The amount of accrued compensated absences at September 30, 2020, totaling \$157,914 is included in accrued expenses.

Note 6. Economic Dependence/Contingency

CCA receives approximately 91% of its revenue from federal and State resources for the various programs CCA administers. Balances due from federal and State sources comprise 93% of the grant and contracts receivable balance as of September 30, 2020. Any significant change, either increase or decrease in funding for these programs could result in a material change in CCA's operations.

Note 7. Line of Credit

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Coastal Community Action, Inc. Newport, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Coastal Community Action, Inc. (the Organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 22, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Coastal Community Action, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Coastal Community Action, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Coastal Community Action, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors Coastal Community Action, Inc. Newport, North Carolina

Report on Compliance for Each Major Federal Program

We have audited Coastal Community Action, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, that could have a direct and material effect on each of Coastal Community Action, Inc.'s major federal programs for the year ended September 30, 2020. Coastal Community Action, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Coastal Community Action, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Coastal Community Action, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Coastal Community Action, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Coastal Community Action, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended September 30, 2020.

Report on Internal Control over Compliance

Management of Coastal Community Action, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Coastal Community Action, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in

accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Coastal Community Action, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses or significant deficiencies.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
