

Coastal Community Action
Housing Choice Voucher Program
RESIDENT ADVISORY BOARD
2026 Meeting Schedule

***All HCV Program Participants are invited to join the
Resident Advisory Board***

The Section 8 HCV Resident Advisory Board (RAB) is a group of residents who represent the views of Housing Choice Voucher (HCV) participating families. RAB members are primarily responsible for giving feedback and making recommendations to Coastal Community Action (CCA) on matters related to the HCV program. The RAB is especially important during the development of the CCA's 5-year Plan, and annual amendments if needed, to make sure that the concerns of participating families are considered during the plan development and in CCA's policy decisions. RAB members are partners with CCA to help craft plans that address needs now and for the next five years.

The RAB meets periodically during the year. While meetings occur during the work week, we try to meet in central locations and will even offer hybrid meetings (virtual as well as in person) for people who need to attend on-line. Can't attend the whole meeting? That is okay! Participate for as long as you are able.

YOUR VOICE MATTERS!

2026 Regular Meeting Schedule
